

# PRECONFERENCE TRAINING

Fall Protection

## **Fall Protection AUTHORIZED USER**

4 HR --\$175/PP This course offers an awareness of the issues involved with fall protection. A focus on the best practices in fall protection and the need to protect workers at height highlights this informative training course. Participants are introduced to the legislation governing fall protection as well as the components of a fall system including body support, anchorages, connectors and rescue. Upon successful completion of this course the student will receive a certificate acknowledging they have met the OSHA , ANSI and CSA Requirements

**October 5, 2022 7 – 11 am**

3M – Hawaii

4443 Malaai Street, Honolulu, HI 96818
