

APPLICATION FEE WAIVERS

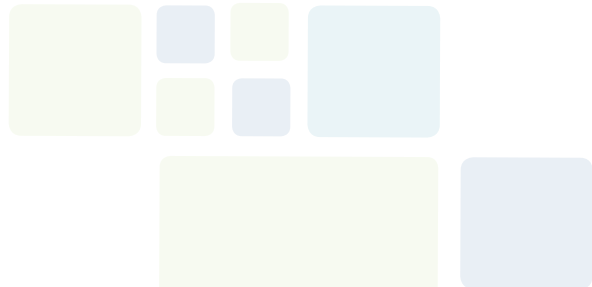

BCSP offers application fee waivers to faculty, veterans and government officials to show our appreciation for the service and sacrifice these individuals have provided to the community. Recent graduates may also qualify for a waiver to support their pursuit of a safety career.

NOTE:

Required documentation needs to be submitted in the online application process to redeem the waiver. All application fee waivers are non-transferable and can be used for any new BCSP certifications - CSP, SMS, ASP, OHST, CHST, STS, STSC, or CET.

The name verified on your required supporting document(s) must appear the same as on your application.

Any previously incurred fees are non-transferable or non-refundable. Visit BCSP.org for more information.
