**NFPA®'s 2021 Life Safety Code® Essentials Seminar** helps you apply the 2021 NFPA 101® correctly to protect building occupants. Review concepts and earn your Certificate of Educational Achievement\* online! The 2021 Life Safety Code reflects the latest technologies, design approaches, and challenges, and this high-impact seminar provides the tools you need to confidently apply or enforce requirements. Topics span means of egress, determining occupant load and egress capacity, requirements for protection of vertical openings and hazardous areas, high rise buildings, and determining requirements for building services and operating features. A special section covers building rehabilitation. NFPA's training presents a unique opportunity to practice LSC application in a classroom activity based on a realistic scenario. Under the guidance of Code experts, participants will work through a fully developed case study selected to help solidify knowledge. It's excellent training for facility or risk managers, authorities having jurisdiction, safety directors, and anyone responsible for occupant safety and compliance.

Please register early as we expect this to be a very popular seminar. Reservations and cancellations will not be accepted after that date. **NO-SHOWS WILL BE BILLED FOR FULL ATTENDANCE.** Telephone reservations will be accepted provided they are followed by written confirmation and payment.

Seminar attendees will receive a copy of NFPA 101 and seminar workbook. Upon passage of the online test after the seminar attendees will be provide with, certificate of completion, and 1.4 ceu's or **14 AIA Learning Units in the Health, Safety, & Welfare category.** The registration fee also includes lunch & coffee breaks each day.

**Instructor:** The seminar will be taught by Mike Crowley, PE, FSFPE, of Coffman Engineers. Mr. Crowley has served as a LSC instructor for NFPA for several years and is a member of the NFPA Standards Council and previously has served on the NFPA 101 Technical Committees on Means of Egress and Health Care Occupancies for many years.

**Location:** The seminar will be held at Hale Ikena, the Golf Clubhouse at Fort Shafter, Honolulu, Hawaii. Parking is available at no charge.

**Payment: ONLINE REGISTRATION & PAYMENT AVAILABLE AT <http://sfpehawaii.memberlodge.org>**

Payment may also be made by check or money order accompanying the Registration Form below. Make checks payable to **Hawaii Chapter SFPE** and mail to Hawaii Chapter SFPE, c/o Sam Dannaway, 745 Fort Street, Suite 400, Honolulu, Hawaii 96813.
